MENTAL HEALTH PRACTITIONER CERTIFICATE SERIES

ABOUT PSYCH HUB

THE WORLD'S LARGEST MENTAL HEALTH EDUCATION PLATFORM

Psych Hub was developed to help people overcome mental health challenges through multi-media education for every learning style. Psych Hub's robust library of over 1000 proprietary educational assets include: courses, videos, podcasts, written and shareable content.

THE MENTAL HEALTH PRACTITIONER HUB

FOR THOSE WHO TREAT MENTAL HEALTH

Educating practitioners to deliver specialized therapy through evidence-based interventions and tools.

The Mental Health Practitioner Hub aims to move practitioners from being generalists to specialists by earning certificates in evidence-based interventions.

Our solution equips practitioners with proven tools to practice precision therapy and promotes consumer engagement by providing videos and resources that can be shared with patients to help reinforce new skills between sessions.

SUICIDE PREVENTION SERIES

The Suicide Prevention series focuses on utilizing specific interventions, demonstrating measurement-based care for assessment, treatment planning, intervention implementation, and evaluation.

After completing the four courses and the case study you will receive a **Suicide Prevention Series Certificate**.

COMING SOON

Clinical Application Project- The project gives you the opportunity to apply newly gained knowledge from the courses to client care to a clinical scenario from assessment through discharge.
